## MAPA BEOGRADA MAP OF BELGRADE

Zadovoljstvo nam je da vam poželimo dobrodošlicu na četvrto izdanje Beogradskog meseca fotografije, umetnički događaj koji neprekidno raste.

Kao što mi volimo da kažemo, ovaj festival pripada i vama i nama; to je festival namenjen Beograđanima i građanima Srbije, ali i svim onim ljubiteljima fotografije iz celog sveta koji žele da u njemu uživaju, bilo uživo bilo preko interneta.

Od osnivanja festivala 2016. godine mnogo toga se promenilo: od članova tima do same vizije festivala, njegove vidljivosti u medijima, različitih vidova podrške koju dobijamo od volontera i od institucija.

Svake godine osećamo sve veću obavezu da nastavimo da unapređujemo kvalitet festivala i širimo krug ljudi do kojih dopiremo, a to nije lak zadatak. Svesni smo da smo prošlogodišnjim izdanjem festivala, u pogledu kvaliteta izloženih radova, podigli lestvicu visoko i uprkos nezavidnoj situaciji u Srbiji što se tiče finansijske podrške kulturnim manifestacijama i kulturi uopšte, istrajamo u našim naporima da učinimo festival još posebnijim. Imaginacijom i kreativnošću ove izazove ćemo pretvoriti u konkretne ciljeve kako bismo nastavili da promovišemo fotografiju u Srbiji, ali i fotografe iz Srbije predstavljamo međunarodnoj publici. Za naš 2019. godina biti godina važne tranzicije.

U ime tima Beogradskog meseca fotografije, hvala vam svima. Hvala svim učesnicima i posetiocima; svim partnerima koji su nam ponudili izložbene prostore i izložbe; svim našim volonterima, sponzorima, organizacijama koje su pomogle da se naš san ostvari.

Unapred se radujemo ponovnom susretu u Beogradu 2020. godine.

It is our pleasure to welcome you to Belgrade Photo Month 2019, the 4<sup>th</sup> edition of the Festival, our child that keeps growing.

As we like to say, this festival belongs to us and to you; it is a festival for people from Belgrade and Serbia, but also a festival for photography enthusiasts from every corner of the world who want to enjoy it, in person or online.

Many things have changed since we started the festival in 2016, from the team members to the very vision of the festival, from its visibility in the media to the different kinds of support we have received from both volunteers and institutions.

From one year to the next, we feel an increasing obligation to continue improving the quality of the festival, as well as our outreach, and this is not an easy task. We are aware that with last year's festival we raised the bar high in terms of the quality of work exhibited, and despite the extremely challenging situation in Serbia concerning financial support for cultural manifestations and culture in general, we will persevere in our endeavours to make the festival even more special. Through our imagination and creativity, we will transform these challenges into concrete objectives to continue promoting photography in Serbia and Serbian photographers to international audiences. For us, 2019 will be a year of important transition.

Thank you all on behalf of the entire Belgrade Photo Month team. I would also like to thank all participants and visitors; all partners who offered exhibition or presentation spaces; all our volunteers, sponsors and organisations who have helped us to make this dream possible.

We look forward to welcoming you back to Belgrade in 2020.
